- d. The term "retaliate" means and includes the actions of any person in discriminating against any other person with regard to, or denying any other person access to or opportunities in employment, because any such other person has opposed any practice made unlawful by this Article of this Chapter, or because such other person has made a charge, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under this Article of this Chapter.

If it is a matter over which the Metropolitan Human Relations Commission has no jurisdiction, the Board of Public Works shall conduct a hearing to determine whether there has been a breach of this Article of this Chapter. In so doing, the Board may call upon the Commission for consultation.
